

**Participation in Sports Clubs during the Academic Year 2016/17 Agreement**

Child's Name: ..... Year: .....

I give permission for my child to participate in any extracurricular sports clubs run by the school during the academic year 2016/17 and confirm that:

- He/she may be transported to appropriate training venues by staff and parents who have the required level of insurance cover and have completed the documentation required by the school.
- He/she may run, accompanied by an appropriate ratio of staff or parents, if club sessions are taking place at Brockenhurst College or in the local area surrounding the school.
- He/she may compete if selected, for the school fixtures detailed on the school calendar and website, with acceptance via teamer.net
- I understand that information and alterations to arrangements will be published on the school website and 24 hour sports board, and reminders will be announced in worship.
- I understand the Sportsweek commentary will detail known changes in the week ahead and be published by Sunday lunchtime, and agree to check the website on a daily basis if not subscribed (RSS) to the relevant sports section for up to date information.
- I am aware of the Sports Calendar and how it may be used as a quick summary of all sport taking place in the coming week.
- I understand, on very rare occasions, that some clubs may be cancelled at the last moment due to sickness, accident or other extenuating circumstances. For this reason I will ensure morning clubs are running before leaving my child at school, and will collect my child from school as soon possible if an after school club has to be cancelled with late notification.
- I understand that if I am collecting my child early for an event I cannot remove siblings from school early and must make alternative arrangements.
- I understand that if I am helping run a club my children will be either in the club – if age appropriate, or, I have made alternative arrangements.
