

Brockenhurst C of E Primary School PTA & Brockenhurst Village Trust

Christmas Tree Sale

Why buy your Christmas tree elsewhere if you can
buy a top quality tree **cheaper** from **us**?

We can provide a range of sizes of Nordman Pine, the non-drop variety. If you would like one bigger than those listed please ask as we can provide anything up to 40ft! The supplier is a long established company and are members of The British Christmas Tree Growers Association, so you can be assured that they are of top quality and available at a significantly lower cost than elsewhere.

You will need to collect your tree from school on **Friday 8th December** - or we can deliver it to you if you live in Brockenhurst! If you don't want to put the tree up that early you can just store it in a cool shady place in water until you need it. Don't worry that it will not be fresh for Christmas day: all trees are cut in November by the growers and you will find that because of the high quality of these trees it will still look fresh when you throw it out in January. Care for your tree like flowers - saw off 2" from the trunk, stick it in a stand with water and top up the water regularly - trees can lose 1 pint of water a day. Remember to keep it away from radiators.

Please fill out the form below and return it to the school office, the village hall or The Design Hub, Brookley Road by **Thursday 30th November** with either a cheque made payable to Brockenhurst Primary School PTA or by bank transfer (details are below).

If you have any queries regarding our trees, please contact Harriet Condon on 07767 313285 or email brockprimarypta@gmail.com Extra forms are available from the school office.
