

## Travelling to Brockenhurst Church of England Primary School

Please help make the school run safer and healthier by joining the families who are already walking, scooting and cycling to school. There's lots of storage available for your bikes and scooters and it makes a really healthy start to the day, cuts down on congestion and improves the air quality.

**Areas to avoid parking:** Please avoid parking outside the front of the school and in the staff car park. We ask that you do not use this car park as a drop off point as it is very congested and dangerous when backing out on to the main road. Please can we ask that you **DO NOT** park along Highwood Road as there will be an increased number of pedestrians coming along there using the Park and Stride at the village Hall. **Please give priority to pedestrians crossing over Highwood and Partridge Roads.**

**NEVER** park on the zig zag markings, yellow lines, near junctions and driveways or reverse into spaces if you can't see clearly behind you – there might be a very young cyclist or pedestrian there. **Thank you for your support.**

**Drivers – Please Park & Stride!** If you live beyond walking distance and have to drive, please Park and Stride to help make it safer around the school gates so more families can walk, cycle or scoot to school. Avoid congestion immediately outside the school by parking in the **Village Hall** car park or the **Brookley Road** car park in the village centre.

### Brookley Road Car Park

If you live within the green ten minute walking zones, you may find it quicker to walk to school than to drive and have to find a parking space.

When parking on street,  
always get your children out of  
the car on the pavement side.

Know friends who live locally?  
Why not ask to park at their  
house and walk together for a  
sociable school journey?

**Lift Share:** Going the same way as a neighbour? Why not lift share and then Park & Stride as often as possible saving fuel and the environment.
