

Brockenhurst C of E Primary School PTA

CHRISTMAS TREE SALE

**Why travel for miles to buy a top quality tree when
you can order it to pick up from the school?**

We can provide a range of sizes of Nordman Pine, the non-drop variety, which will be delivered to Brockenhurst School. The supplier is a long established company and member of the British Christmas Tree Growers Association, so you can be assured that they are of top quality and also available at a lower cost than elsewhere.

You will need to collect your tree from School on the afternoon of **Friday 7th December**. If you don't want to put the tree up that early you can just store it in a cool shady spot in water until required. Don't worry that it will not be fresh for Christmas Day, all trees are cut in November by the growers and you will find that because of the high quality of these trees they will still look fresh when thrown out in January. To best care for your tree keep outside until required then saw off 1-2 inches from the trunk, place in a stand with water and top up the water regularly (trees can lose 1 pint of water/day). Remember to keep it away from radiators.

Please fill out the form below and return it to the school office or Rachel Helyar (in person or via email) by **Monday 26th November** with either a cheque made payable to Brockenhurst Primary School PTA or by bank transfer (details below).

If you have any queries regarding our trees please contact Rachel Helyar on 07702754011 or email rachelhelyar@gmail.com. Extra forms are available from the school office.
