Garden news

We are still fundraising for the interactive garden.

This is to be situated on the old adventure playground site. The garden will provide a quiet reflective area for the children to visit. We hope to also open it up to places like Woodpeckers nursing home, so that their clients can also benefit from the peaceful oasis. We will be looking for parents to help with the building and maintenance of this project.

Quiz night is coming!

Dust of your thinking caps for the all new Quiz Night on the 8th February.

Tickets are £8 each and this includes entry and a sharing platter. There will be a bar where you can buy all the usual drinks and also cocktails. Make up a table with friends or come on your own. We would love you to join us for what should be a great evening.

Fundraising

The PTA are always looking for ways to raise funds for the school and rely on parents and other family members for donations. If you have any fundraising ideas please let the committee know. We have submitted a request to be included in the Waitrose Community Matters, and will also apply to the Tesco Community Fund.

We also raise funds through The Giving Machine. Check out this link.

The money we raise helps the school by providing:
 Money for school trips for each year group so that the cost to parents can be reduced.
 Money for class Christmas gifts,
 Money for year 3 coach for swimming lessons,
 Money for year 6 leaving presents and money for other extras throughout the year.
