Maths	45 mins	L.O: To subtract a two digit number. Complete the attached sheet on subtraction. Remember when we subtract our answer is smaller than the whole amount that we started with. Use your knowledge of tens and ones to work out the answer and draw pictures to help you.
Reading	15 mins	Choose one of your favourite books to read today. Make sure it is one you are familiar with so you can work on reading with fluency and expression.
Writing	30 mins	L.O: To explore vocabulary This week's unit is based on 'The Silent Red Book', a copy of which can be found online using this link: <a href="https://www.youtube.com/watch?v=x4zE00VXK6c">https://www.youtube.com/watch?v=x4zE00VXK6c</a> See attached sheet. Use the thought bubbles from yesterday's lesson. Revisit the vocabulary you came up with. Today we will be putting these into full sentences using conjunctions (but, and, so, because, or).
RE	30 mins	L.O: To explore Christian symbols. Use the attached PowerPoint to look at different symbols and what they mean to Christians. You can then create your own symbol that represents something that is important to you.
Art	30 mins	This week we will be making our own photo frames out of things you can find in your garden or when you are out for a walk. I have attached some instructions to help you with this. If you like you could draw the outline of your frame on some paper or card and then stick a photo or draw a picture in the middle. You could then glue the things you have collected to create your frame.
