

Lesson 5 – Writing challenges

Re-watch the film, enjoy the story and discuss the key events. Choose one from the following writing challenges:

- 1) The film is called ‘...a story without words...’ Write the missing story to go with the film, using descriptive language, conjunctions and maintaining the past tense.
- 2) Write a letter from the fox to the girl thanking her for looking after him and retelling all the amazing sites they saw together.
- 3) Write a blurb for the video, similar to that found on the back of a story book. What is the story about? Who are the main characters and who would you recommend the story to?
