

Subject Area	Time Allocated	Instructions
Maths	10 mins	Complete the set activity on Mathletics.
Maths – Counting	5 mins	Practise counting in 2's, 5's and 10's https://www.bbc.co.uk/teach/supermovers/ks1-maths-the-times-tables-mash-up-with-monty-magpie-billy-the-badger/znxcpg8
Maths	45 mins	L.O: To count pence Complete the attached sheet on counting money. When we are counting we are just putting all of the coins together like adding. You could count on or draw the tens/ones in each coin to then count them altogether. Use real coins if you have any at home.
SPAG	10 mins	Complete the attached SPaG activities.
Reading Comprehension	20 mins	Read the story called 'The Terrible Trip Up!' in your comprehension pack. Use the story to help you answer the question about the story.
Writing	30 mins	L.O: To sequence the story. This week's unit is based on 'Handa's Surprise', a copy of which can be found online using this link: https://www.youtube.com/watch?v=XyIV_xYi0as Read the story again. Draw pictures of the animals and fruit in the story. Put them into the correct order and add labels to sequence the story in the correct order.
Science	1 Hour	L.O: To explore everyday uses of materials. Today around your garden/home or out for a walk think about the different materials we see and what they are being used for. I have attached a sheet for you to use if you like. Or you could just draw and label different uses in your home learning book. What can you see bricks being used for? How about glass, paper, fabric or plastic?
