

## A Right Whale Acrostic

**R**iding through the waves as fast as the wind  
**I**magine seeing five diving together!  
**G**igantic flippers flapping like paddles on a boat  
**H**uge head plunging into the stormy, grey spray  
**T**hese are the most beautiful whales of all!

*Notice how the first letters of each line go together, top to bottom, to spell out the Right whale's name – r i g h t!*

### Writing an acrostic

1. Write the letters of your whale's name down the left hand side of the paper. Use capital letters and make sure you get the spelling right!
2. Now for each letter create a line that carries on from the letter and says something about your whale.
3. See if you can include some great adjectives in your lines.
4. See if you can include a simile in one of your lines.
