

Phonics - Wednesday 13th May 2020

Today we are going to be revising some more tricky words.

Task 1: Read all of the tricky words.

our	here

Task 2: Read the passage and circle ALL of today's tricky words that you find.

My house is big, it has four bedrooms and it is by a small river. We put all of our things inside and now it looks like a home. The house has lots of bushes outside and our car sits on the drive by our house. Mum loves the house because we all live here and it is very special.

Task 3: Make flashcards of the tricky words to add to your flashcard collection.

You could use bright colours to write your words onto cards, or find a creative way of making them to help you learn them.
