Today we are going to be thinking about when we should be using capital letters.

- We all know that we need to use a capital letter at the beginning of a sentence but there are also other times when we need to use a capital letter.
- Can you think of when else we should use a capital letter in our writing?
- Watch this video: <https://www.youtube.com/watch?v=vo2xZskgdP4&t=43s>
- We are going to focus on using capital letters at the beginning of people's names.

Task:

Draw a picture of your family and friends, then label each person by writing their name. Don't forget to use a capital letter at the beginning of each name.

Extension:

Pick two people from your drawings to write sentences about. Don't forget to use a capital letter at the beginning of your sentence and at the beginning of the person's name.
