

English task - Thursday 21st May

Today I would like you to create an emotion task for our story 'Winnie's magic wand', like we do in class. Start by re-watching the story <https://www.youtube.com/watch?v=HoJIX32Q238>. Think about how Winnie might have been feeling at these different points in the story.

- 1) When she wakes up in the morning and remembers what day it is.
- 2) When Winnie realises that she has washed her wand.
- 3) When Winnie's magic goes wrong when she uses her wand.
- 4) When Winnie goes to the shop to get a new wand.
- 5) At the end when Winnie goes onto the stage.

I have attached some emotions for you to choose from, although you might come up with some of your own (you might choose more than one). After you have decided on emotions, I would like you to write in sentences, why you decided on those emotions using 'because'.

E.g. Winnie feels confused *because* she doesn't know how her dress got jelly on it and now she doesn't have anything to wear to the magic show.

Winnie jumps out of bed.	Winnie realises she has washed her wand.	Winnie's magic goes wrong.	Winnie went to the shop.	Winnie went onto stage
