

English Task - Wednesday 3rd June 2020

Today we will be collecting vocabulary about the different characters in our story.

We will be using noun phrases to describe what they look like (adjective + noun. E.g. blue butterfly) and verbs to describe how they move.

E.g.

Stripy, furry abdomen

Dangles from a thread

Climbs up high

Hairy, purple body

Big, bright eyes

Wide, friendly smile

Hangs in the air

Long, spindly legs

Spins webs

You will need to watch the film again but choose the two characters you will be describing before and make some notes as you watch. (I have put characters on here for you to choose from).

Draw or cut out the characters you have chosen and write notes around your image - make sure you space them out so that your ideas stay separate.
