

4a. Match each number to its bond to 100.

30

50

50

40

60

70

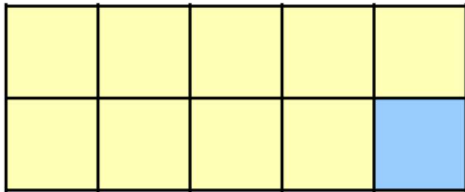

After you have matched the number bond, record them as a number sentence and draw a bar model to represent them:

$$20 + 80 = 100$$

100	
80	20

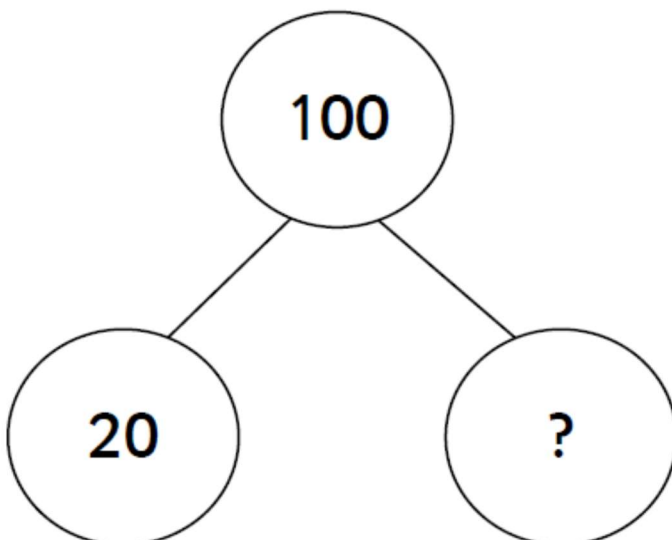

5a. Use the ten frame to complete the number sentences below.

$$9 + \square = 10$$

$$\square + 10 = 100$$

6a. Complete the part whole model below.

Have a go at solving these problems:

5a. Circle the incorrect number sentence below.

$$70 + 30 = 100$$

$$50 + 40 = 100$$

$$100 = 80 + 20$$

Explain why it is incorrect.

R

6a. Anwar spends £100 on two items.
Find all the possible combinations.

£10

£20

£30

£90

£70

Record the different combinations as number sentences.

Which combinations would not work? Why don't they work.
