

# Fire Safety

# What Job Does a Firefighter Do?

A firefighter's job is to keep everyone safe. They put out fires. They use their equipment to help rescue people who are trapped.

Firefighters work very long hours. They work in the day and in the night. They keep us safe all day.

# Great Firefighters Are...

- brave
- strong
- healthy
- hardworking
- reliable
- trustworthy
- determined

# Where Do They Work?

Firefighters work in a fire station. Fire stations are all around the country. Firefighters travel in their fire engines. Fire engines are red. The fire engine has flashing lights that are red and blue.

# What Do Firefighters Wear?

Firefighters wear clothes that protect them when doing their job.

**Strong hat:** to protect their head from falling objects.

**Fireproof clothes:** to stop them from being injured when going into burning buildings.

**Radio:** to talk to one another and listen to instructions.

**A light:** to help them see in the dark, smoky rooms.

The firefighter is going to teach us the rules of fire safety and what to do in case of a fire emergency.

# Rule #1 – Never Play with Fire or Matches

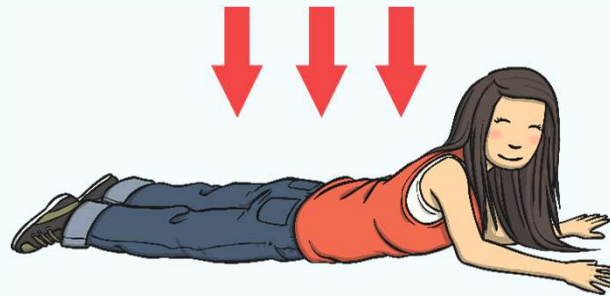

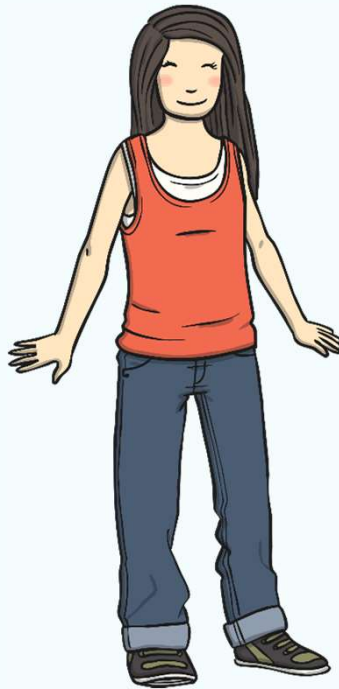

Children should never touch fire or matches.  
Remember that only adults can use fire or matches.

# Rule #2 – Stop, Drop and Roll

If your clothing catches on fire remember to:

- Stop,
- Drop
- And Roll

# Rule #3 – Never Hide During a Fire

Do not hide during a fire.  
Always let the firefighters see you by waving your arms and calling out to them.

## Rule #4 – Stay Low

During a fire, always remember to stay low on the floor. Get down on all fours and crawl to the nearest exit.

# Rule #5 – Get Out and Stay Out

It is important to get out of a burning building quickly and stay out.  
Never go back inside of a burning building!

## Rule #6 – Have a Family Meeting Place

Your family should have a safe meeting place that is outside and away from the fire.

Everyone will meet here in case of a fire.

# Rule #7 – Know How to Call for Help

It is important to know how to call for help in case of an emergency.  
Have your parents teach you how to call 999.

# 999

**Great Job!**

Now you know the rules  
of fire safety!
