

Art Task - Thursday 11th June 2020

Today, you are going to be creating the missing half of an image, putting in as much detail as you can (no colours today).

Have a look at the image below: Do you think they have done a good job at creating the missing half? Why/why not?

Task 2:

Start by choosing one of the images below:-

- What do you think it is a picture of?
- What textures can you see?
- Are the textures the same or different?
- How might you show these textures?
- Are there any clear details?

Have a go at drawing the missing half of the shells. Use the original for support if you need to. Try and draw in as much detail as you can.
