

Our Mini beast Fact Files

For our new unit, we will be creating Fact Files on the different mini-beasts we saw in the film 'Caterpillar Shoes'.

Let's look at how our Fact Files will look.

Image of _____

Where do I live?

Did you know?

What do I look like?

What do I eat?

What information will we need to find out today?

- *Where will we find this information?*
- *Where could we look?*
- *What are the different sections for?*
- *Have we missed anything?*

<i>What do I look like?</i> _____ _____ _____ _____ _____ _____ _____ _____	<i>What do I eat?</i> _____ _____ _____ _____ _____ _____ _____ _____

Researching our Mini beasts

Name	
Appearance (what it looks like)	
How does it move?	
Diet (what it eats)	
Where you can find it	
Interesting Facts	

Use this sheet to help you find all of the information you are going to need to write your Fact Files.

Use a new sheet for each of your mini beasts - we will be looking at worms and snails. If you want a challenge you could also choose another mini beast of your own.

You need to make sure you have all of your information by the end of this session.

I have done my research on a woodlouse. I have not written my notes in full sentences. Today I am just collecting my information.

Researching our Mini beast:

Name	woodlouse
Appearance (what it looks like)	14 legs Roll itself up Outer shell 2 antenna Can be pink, brown or grey
How does it move?	Use their antenna to guide them Crawl along Roll into a ball for safety

Diet (what it eats)	Eats rotting plants Mushrooms
Where you can find it	All over the world
Interesting Facts	They are related to crabs and lobsters There are 3500 types in the world They don't wee

Your turn

Here are some links to videos for our mini beasts. You could also do some of you own research online or in books if you have some at home.

https://www.youtube.com/watch?v=l-zc_1vjLnI - video all about worms

<https://www.youtube.com/watch?v=c8ma6vDvXAM> - video about snails

If you are doing the challenge and have chosen a spider, this video might be a good starting place.
