The Space Museum

Today, we are learning to read words that contain **au** for /or/.

Let's practise reading some of this week's focus words that contain the /or/ sound.

Mum, Dad, Sam and Kit reached the space museum. It was shaped like a dome. They went inside and Mum went to pick up their tickets.

Kit and Sam were amazed at the huge rockets! "I can't believe they can go all the way to space!" said Sam. "I know! Can you imagine going to the moon or another planet?" asked Dad.

Mum and Sam headed towards a table labelled 'Space Snacks'. "Hi, my name is Aubree and I am a guide here!" she said in an American accent.

“Do you know astronauts eat special food? Our food tastes strange in space and they don’t have a kitchen to cook! They have to eat freeze-dried food. Would you like to try some?” chirped Aubree.

Wow, look at all the rockets!
Can you read the **au** words on the rockets?

Kit and Sam tasted some space food. Kit liked the powdered ice-cream but Sam **thought** it tasted funny. "I don't think I would like to be an astronaut after all!" **laughed** Sam. "I would love to launch a rocket though."

Sam added, “I would invite all of our friends to watch and count down!”

“Well,” said Aubree behind them. “You can’t launch a real rocket today but you can go in one and pretend to be an astronaut!”
