

Sunflower Fork Printing

You will need:

- a piece of white card (A4 or A3)
- a fork
- yellow paint
- green paint
- brown paint
- a paint brush
- water pot
- a tooth brush

1 Get a piece of card and place it in front of you in portrait.

2 Carefully paint the underneath of a fork with yellow paint using a brush.

3 Pressing down with the fork, repeat creating a circular pattern leaving a space in the middle. You may need to apply more paint to your fork and go over the circle.

4 Wash your brush in the water pot and dip it on to the green paint. Paint a stem from the flower head down to the bottom of the page. Paint a leaf on to each side too.

Wash your brush using the water pot and dip it into brown paint. Apply the brown paint to the tooth brush.

Carefully print in the circle inside the yellow fork printing using the toothbrush. You may need to keep applying brown paint to the toothbrush.

Top Tip:

You could choose to create a different flower using the same printing method. You could try daffodils or tulips.
