To Kay West

I've got a stray cat in my shed.  
I think it may be Catkin!  
She's sitting in a box of hay,  
and she looks as if she  
wants to stay in it!

I will be in at six o'clock today if you want to visit.

4th May

To Ray Brooks

Hooray! Today is such a happy day! Thank you so much for finding my Catkin! It's what I was praying for!

But it was a bit of a shock to find the kittens in the box of hay with her - a black kitten and a grey kitten!

Still, I think she will be a very good mum.

By the way, I am glad to say they are all well.

From Kay West

PS I am going on holiday on Sunday to Malaya!

I am very fond of them.

When you go away on holiday,  
will you let them all stay with me

To Kay

It's good to have you back!

I want to ask you if the grey kitten may stay with me at Hilltop Way. When you were away, he lay on my bed all day and played with a bit of string.

I think he wants to stay.

What do you say?

From Ray

PS I have called him Jay!
