LO: I am learning to punctuate sentences using a capital letter and a full stop, a question mark or an exclamation mark.

Can you remember the four types of sentences we looked at on Friday?

Let's look at four types of sentences.

Statement

A sentence that states facts or what is happening: **The table is big.**

Question

A sentence which asks somebody something: **What is your name?**

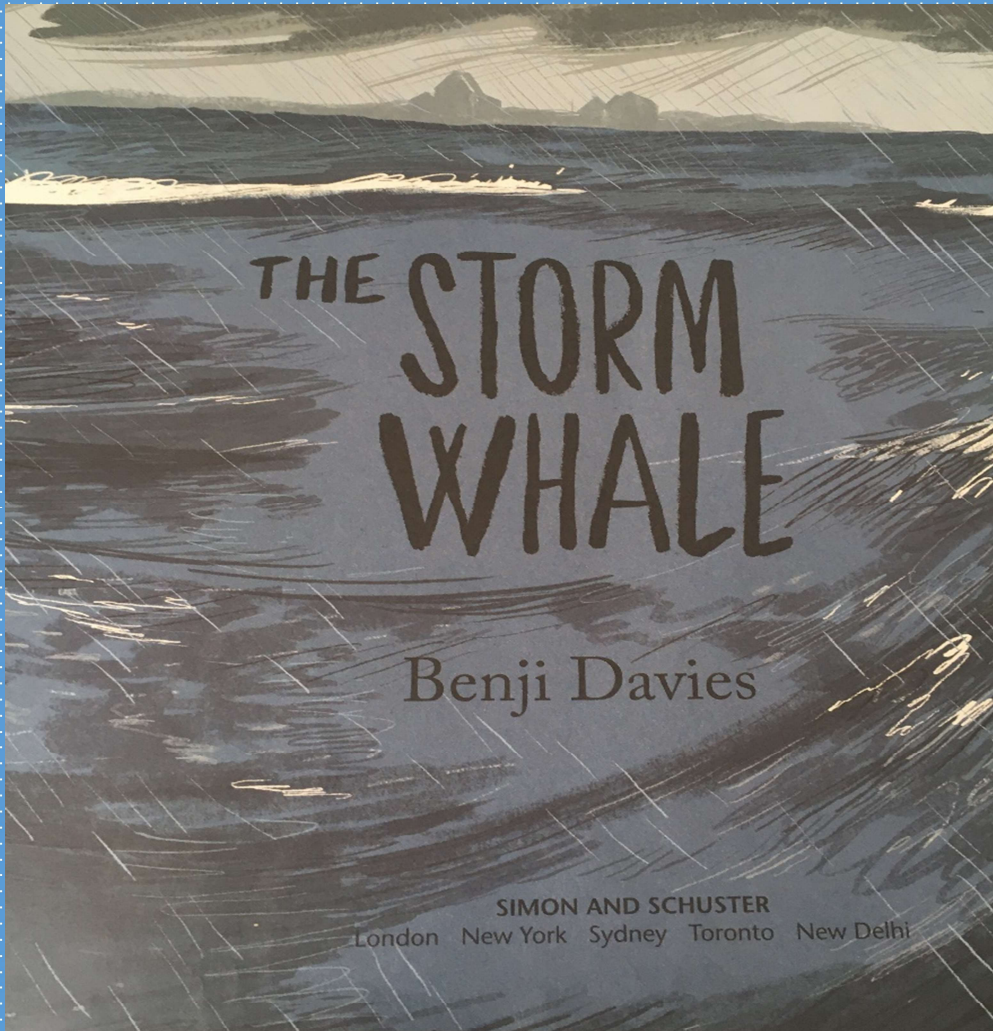

Exclamation

A sentence where something is shouted out loud, possibly in surprise or horror:
Oh no!

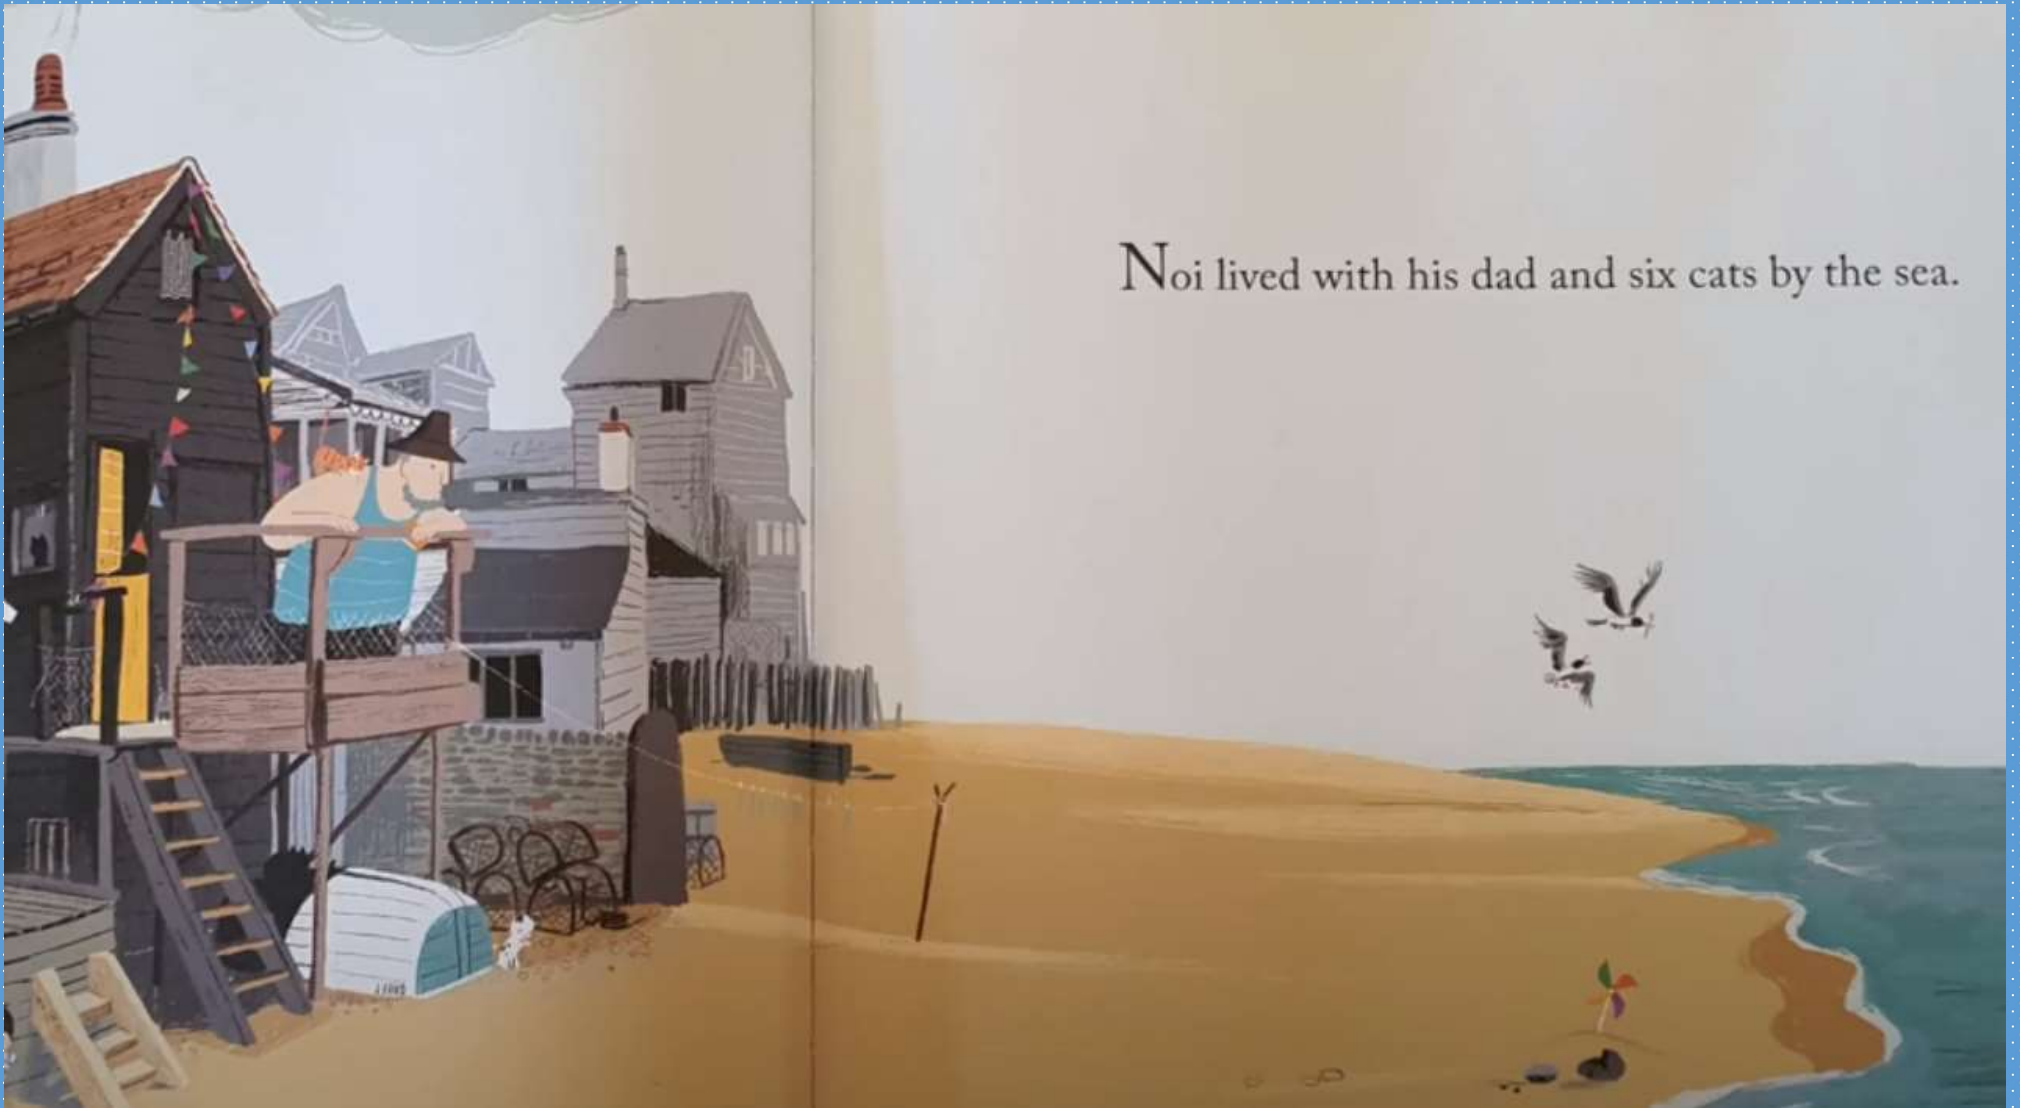

Command

A sentence which tells someone what to do: **Come here!**

'The Storm Whale'

Noi lived with his dad and six cats by the sea.

Every day, Noi's dad left early for a long day's work on his fishing boat.

He wouldn't be home again till dark.

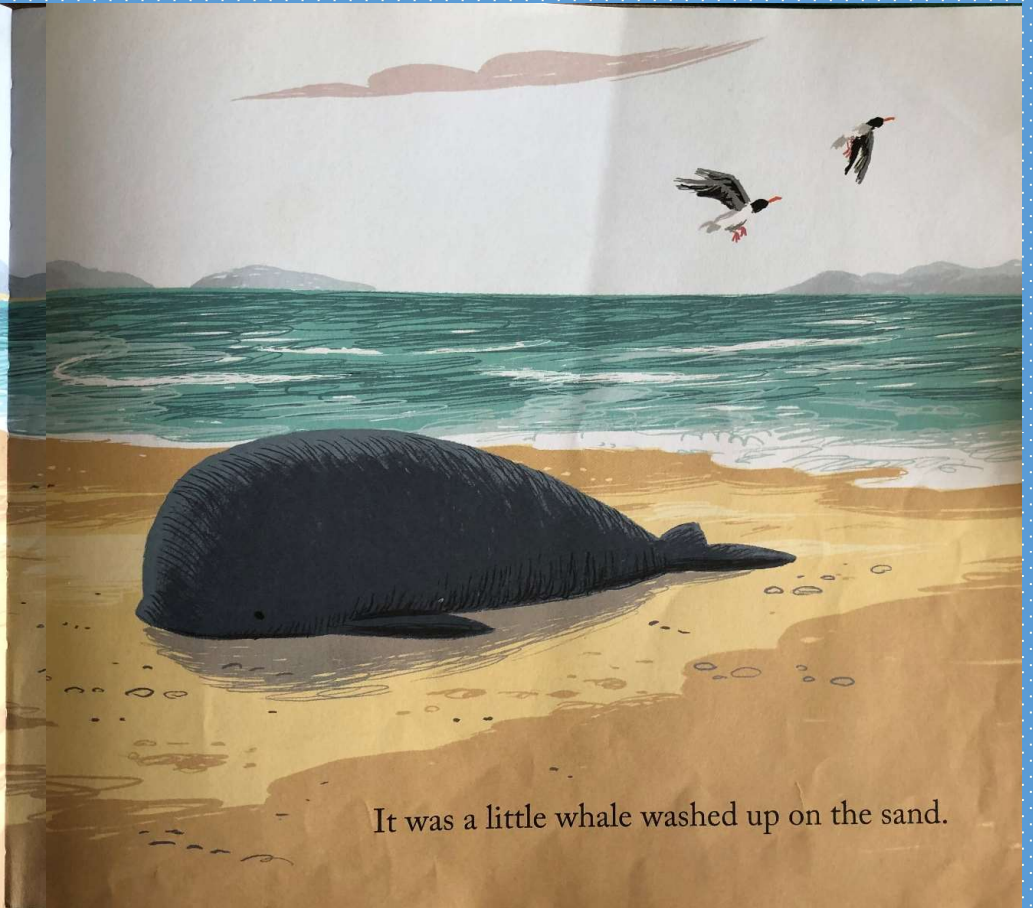

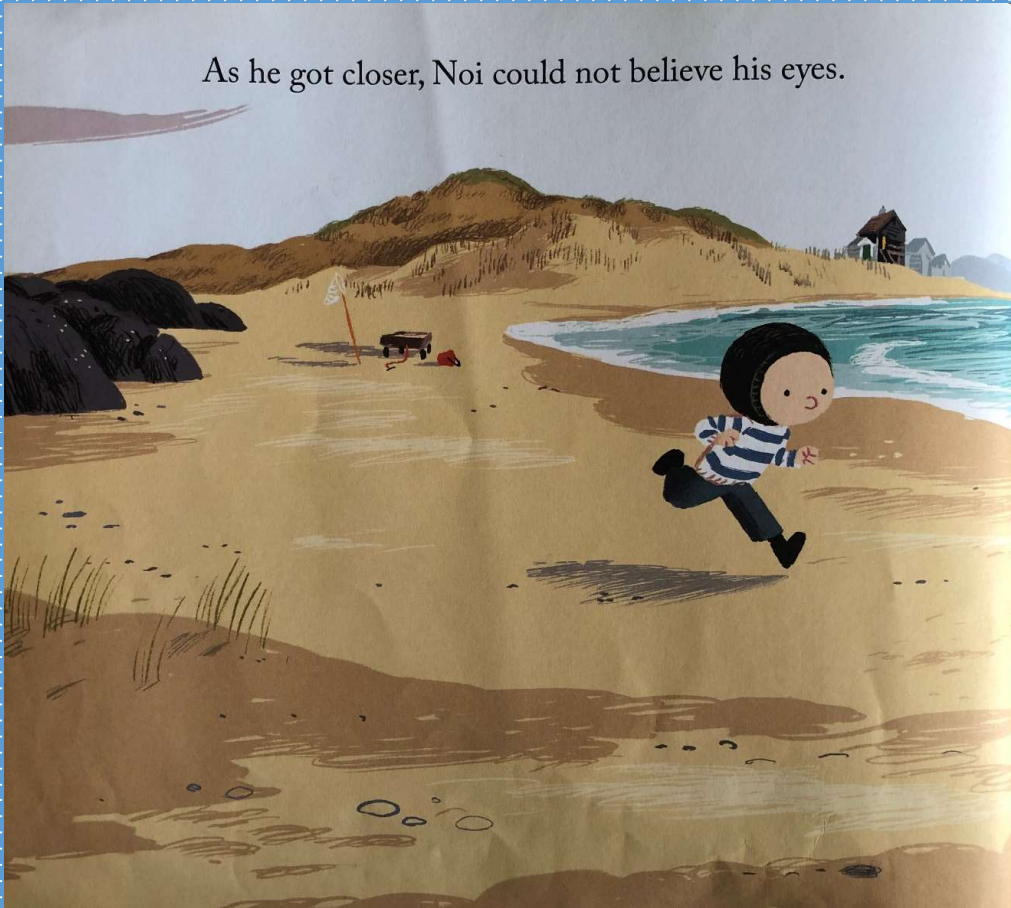

One night, a great storm had raged around their house.

In the morning, Noi went down to the beach
to see what had been left behind.

As he walked along the shore,
he spotted something in the distance.

As he got closer, Noi could not believe his eyes.

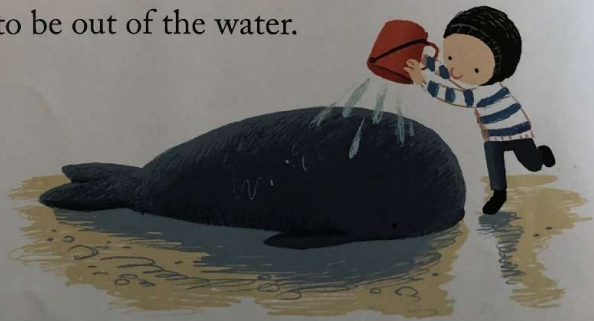

It was a little whale washed up on the sand.

Noi wondered what he should do.

He knew that it wasn't good for a whale to be out of the water.

"I must be quick!" he thought.

Noi did everything he could to make
the whale feel at home.

He told stories about life on the island.
The whale was an excellent listener.

The night was drawing in
and it was growing dark.

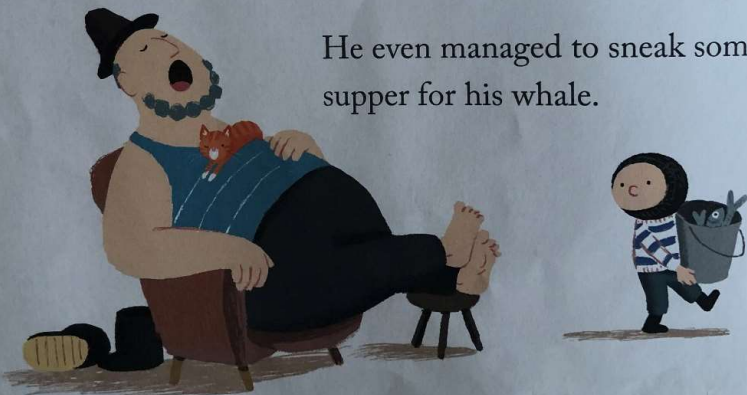

Noi was worried that his dad would be
angry about having a whale in the bath.

Somehow, Noi kept his secret safe all evening.

He even managed to sneak some supper for his whale.

But he knew it couldn't last.

But he knew it couldn't last.

Look at the character's faces.

What do you think they would be thinking?

How does Dad feel?

Would he be angry or will he understand?

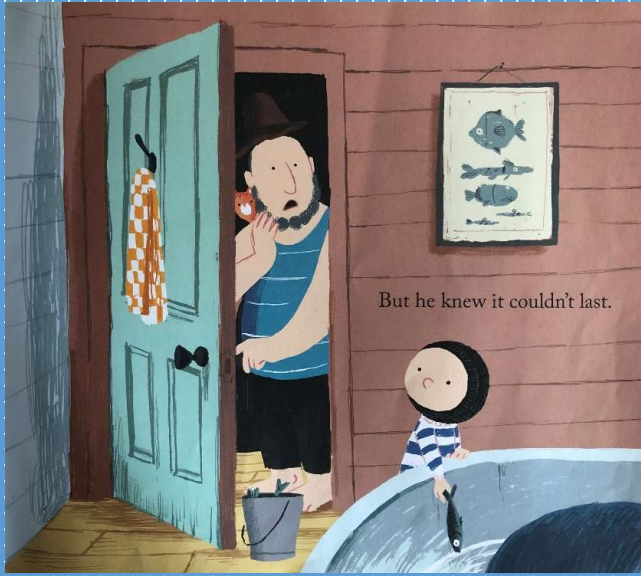

How does Noi feel?

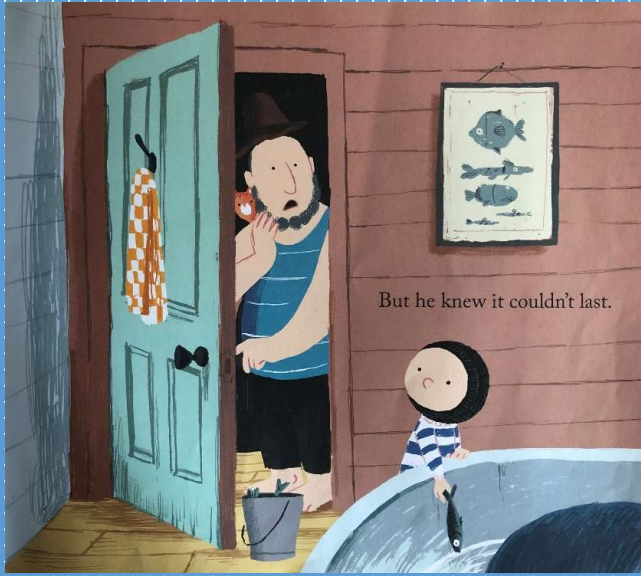

But he knew it couldn't last.

You're now going to role play in pairs as Noi and Dad.

- Think about what they would be saying to each other?*
- What types of voices and expression will they use?*

- *What punctuation would you need for:*
- *a statement?*
- *an exclamation?*
- *a question?*
- *a command?*

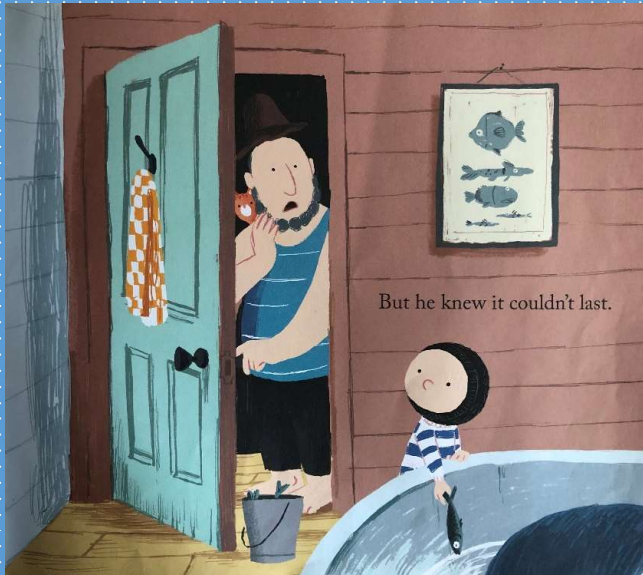

Task

You are now going to write down the dialogue (conversation), between Noi and his dad.

What type of sentences might you include?

What punctuation will you need?

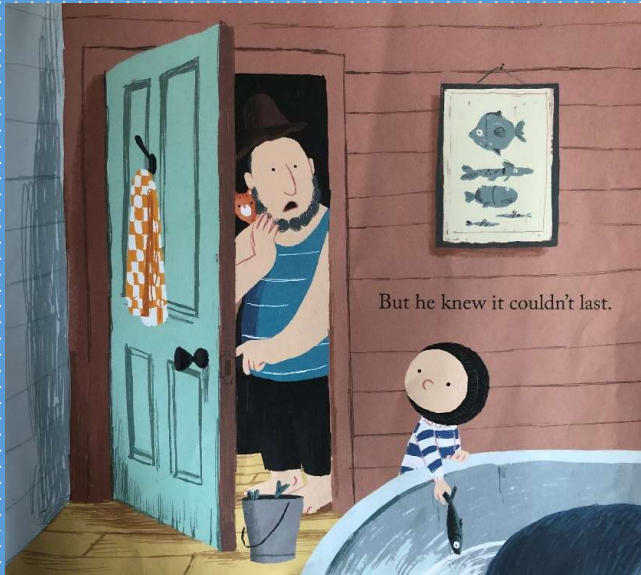

But he knew it couldn't last.

Try and use different sentence types.

A writing template with four speech bubbles. The first and third bubbles are connected to a boy's head on the left. The second and fourth bubbles are connected to a girl's head on the right. Each bubble contains three horizontal lines for writing.

*Now you've written your dialogue,
have a go at performing using
different voices for the characters.*

A worksheet for writing dialogue. It features two sets of speech bubbles. Each set includes a boy's face on the left and a girl's face on the right, with three horizontal lines for writing text inside each bubble.
