

Subject Area	Time Allocated	Instructions
Mental Maths	10 mins	Complete the set activity on Mathletics.
Maths – Counting	5 mins	Practise counting in 2's, 5's and 10's https://www.bbc.co.uk/teach/super movers/ks1-maths-the-times-tables-mash-up-with-monty-magpie-billy-the-badger/znxcpg8
Maths	45 mins	L.O: To Tell the time to the nearest 5 minutes. Complete the attached activities. Use the clock you made yesterday to help you. Keep practising telling the time throughout the day – the best way to learn is to just keep practising!
Handwriting	15 mins	Please use your booklets to complete 15 minutes of handwriting practise. Don't forget your lead-ins and take your time!
Reading	15 mins	Read the attached and answer the comprehension questions.
Writing	30 mins	L.O: To describe. Today you will be designing your own wand that could be used for your spell! Draw your wand (or make it!) – be as creative as you wish! Then add some labels that explain what your wand is made out, what it can do and how it was made. Just stick to labels today, as tomorrow you will use this information to write instructions for wand making.
Art	30 mins	I have attached some guidance for creating your own African animal's sunset art. The materials required can be adapted for things you have available at home, for example, using colouring pens or pencils rather than paint. You could also draw your own silhouette at home, rather than printing the attached out.
PE	30 mins	Continue with the Sports Day activities that Mr Wilcox has set you. I would love to know how you are getting on with these challenges 😊
