The community sports centre

Community Sports Centre Open Day

Come to your local sports centre and enjoy all the activities for less than 20p each

| | | | |
|-----------|----------|----------------|----------|
| Tennis | 6p each | Bowling | 16p each |
| Swimming | 5p each | Roller skating | 12p each |
| Bicycling | 14p each | Squash | 9p each |

Show any working on the back of this sheet.

1 Which sport costs the most?

2 How much more does it cost to play tennis than to go swimming?

3 Write the prices of the 6 sports in order, starting with the smallest.

1 2 friends play tennis. How much does it cost them altogether?

2 All goes swimming and then bicycling. How much does it cost him altogether?

3 How much more does it cost to go roller skating than to play tennis?

1 Susan has 20p. Does she have enough money to go swimming and bowling?

2 Allison did just one thing at the sports centre. She paid for it with a 5p coin and two 2p coins. What did she do at the sports centre?

3 In the morning Matt played tennis and then went swimming. In the afternoon he played squash. How much did Matt spend altogether at the sports centre?
