

Subject Area	Time Allocated	Instructions
Mathletics	15 mins	Complete the set activity on Mathletics.
Maths	45 mins	<p>L.O: To problem solve.</p> <p>Today I have attached a maths mystery that needs solving. You will need to use your knowledge of lots of different mathematical concepts to solve each problem, which will give you a clue. If you are unable to print, then you should be able to still solve the problems – use your home learning book for any workings out. Good luck!</p>
Handwriting	10 mins	Please use your booklets to complete 10 minutes of handwriting practise. Don't forget your lead-ins and take your time!
SPAG	10 mins	Complete the attached activity.
Reading	10 mins	Read the attached and complete the questions.
Writing	30 mins	<p>L.O: To create an 'All About Me' booklet or poster.</p> <p>Continue with your 'All About Me' writing. You may be in a position where you can start writing this up in neat and presenting it a way you have chosen.</p>
Science	1 hour	For today's lesson I have attached a range of different science experiments that you can do at home. Explore and have fun 😊
