

What Lives on Us?

Science Experiment

Method

1. Rub your hands over a slice of bread.
2. Put it in a plastic bag and label with your name and 'Unwashed'. Seal the back with sticky tape.
3. Wash your hands with soap and water.
4. Rub your hands on another slice of bread.
5. Put it in a plastic bag and label with your name and 'Washed'. Seal the back with sticky tape.
6. Keep both bags in a warm place. Check them daily, but **do not** open the bags.

You will need:

- 2 slices of bread per child
- 2 grip lock plastic bags per child
- Soap
- Sticky labels
- Sticky tape
