

## NEWSLETTER: ISSUE 3

11<sup>th</sup> October 2021

### Welcome:

Dear Parents and Friends of Brockenhurst CE Primary and Pre-School

I hope this update finds you safe and well. The sunny weather has certainly lifted the children's spirits and we are making the most of being outside where possible. I am also pleased to say year 5 have been bread making and using the children's kitchen to its full.

In school this half term we have been looking at the school value of being 'ambitious'. We have discussed short term and long term ambitions, looking at how we can set SMART - small, measurable, achievable targets along the way. We have looked at influencers from the past such as Martin Luther King and how some ambitions and goals take a lot longer to reach. The following link sums up what I mean nicely:

At present I am looking at the future direction for the school over the next 3 to 5 years. If you have any thoughts on what we do well, should do more or less of, please do email me direct. All ideas are welcome.

It gives me great pleasure to tell you that our site manager **David Groves** was nominated for an award in the Hampshire Education wider contribution category. David was shortlisted and on Thursday evening attended the awards dinner where he was announced as the overall winner in this category. A very proud moment for him, his family and all of us as a school community. I'm sure you'll want to join with the governors and myself in congratulating David on this well-deserved recognition for all he has done at Brockenhurst school. Well done David and a big thank you from us all.

As always please do contact me directly if needed.

### Governor Spotlight:

Y6s interviewed Kevin Plummer, one of our school governors, to introduce him to the rest of our school community. Here is what they found out:

*What is your favourite hobby?*

*Gardening – I have an allotment.*

*What do you do to help our school?*

*I help to make sure there is an updated vision for the school, make sure that it is a safe space and I help to make sure money is spent in a practical way.*

*Tell me a fact about yourself.*

*I played rugby for 30 years.*

*Why did you choose to be a governor?*

*I had just moved to Brockenhurst and always wanted to help people.*

*What is your responsibility on the governing body?*

*I am chair of the resources committee and the vice chair of the Governing Body.*

*Tell us your best joke.*

*What is brown and sticky? A stick.*
