

# Brockenhurst CE Primary School and Pre-School

*'We Enjoy and Excel in the Presence of God'*

## **Our Vision:**

At Brockenhurst CE Primary and Pre-School our vision is to inspire a love of learning, within a nurturing Christian environment

## **Our Christian Values:**

Loving, Hopeful, Thankful

## **Our Learning Values:**

Ambitious, Independent, Resilient,  
Resourceful, Inclusive, Caring

## Our mission for School and Pre-School.

At Brockenhurst CE Primary School and Pre-School we aim to inspire children so that they excel in all areas of learning.

We want them to have limitless aspiration to achieve and reach their full potential.

We want all our children to be happy. We want our children to feel valued, secure and cared for.

We want our curriculum to excite children so that they can develop their wider interests and fulfil their ambitions.

We want our children to grow and develop empathy for Christian values and to have respect for all faiths and beliefs across the world.

We want our children to become active citizens, with specifically learned skills to fully equip them for the future, with a clear understanding of their moral responsibility to ensure a safe and healthy world for humans, animals and world resources.

When our children look back on their primary school days we want them to have happy memories of enjoying and excelling “in the presence of God” and share that positive experience with the world.

We want our children to dream, to imagine and to be inspired.

Imagination will get you everywhere...

### We aim to:

- Create a nurturing environment founded on Christian values for all.
- Respect all children, adults, animals and living things.
- Be vigilant about children’s safety and well being.
- Empower children to overcome barriers to learning.
- Encourage positive mental well being.
- Develop resilient, reflective and resourceful learners.
- Grow critical, creative and evaluative thinkers.
- Acknowledge, appreciate and celebrate difference and cultural diversity.
- Utilise the local environment to support learning in a unique setting.
- Develop confidence through the love and support of the school, church and community.

## **Our strategic ambitions for our School and Pre-School 2022-2025.**

### **1. To be the destination school of choice, recognised as offering outstanding provision by all.**

*We will know we have achieved this by:*

- Our pupil numbers will consistently be a minimum of 95% of our published admission number (PAN).
- Staff recruitment data will indicate posts are filled efficiently and effectively and exit interviews of staff indicate they are leaving either for personal reasons or for career development.
- Our staff, pupil and parent surveys indicate positive views of the school.
- Feedback from our community shows the school is active within the wider community.
- We have a broad and balanced curriculum in place, linking with clubs and the wider community.
- Feedback from visitors including Ofsted is positive and reflects our culture and ethos in action.

### **2. To build community partnerships which enhance the life of the School and Pre-School.**

*We will know we have achieved this by:*

- An increase in the number of volunteers taking part in the life of the School and Pre-School.
- An increase in the number of community groups using the facilities.
- There is a consistent flow of information between the School and Pre-School and the local community and vice versa.

### **3. Our children are prepared and equipped for the next stages in their lives.**

*We will know we have achieved this by:*

- Our Christian and learning values are embedded in the day to day life of the School and Pre-School.
- Our skills based curriculum developed in line with increasing knowledge is delivered across all ages and phases.
- We can track the outcomes of our pupils who have moved on from us.

### **4. To form strong partnerships with other schools and education providers.**

*We will know we have achieved this by:*

- New formal and informal arrangements being in place with other schools and education providers that enhance the resources and skills available for our children.
- Governance arrangements are continually reviewed to ensure there is strong and effective leadership in place.
- We both lead and participate in arrangements with others.

### **5. To enhance the physical environment of the school and the visibility of the provision.**

*We will know we have achieved this by:*

- Our School and Pre-School are rooted together.
- The front entrance to our School and Pre-School is enhanced.
- Updated IT and digital resources provision is in place.
