### **1. Aims:**

**The aims of this policy are:**

- To clarify how our school will meet its duties in relation to **identifying** and **supporting** all children with special educational needs and disabilities (SEND), whether or not they have an Education, Health and Care (EHC) plan
- To explain the **roles** and **responsibilities** of all those involved in providing for pupils with SEND

### **2. Objectives:**

**The objectives of Brockenhurst CE Primary & Pre-School in relation to SEND provision are:**

- To enable the best possible outcomes, aspirations and achievement for **all** children educated at our school, to enable them to succeed in education and make a successful transition to adulthood
- To facilitate the identification, assessment and provision for pupils with SEND by implementing the Code of Practice (2014)
- To identify and provide for children who have SEND
- To recognise the variety of our children's needs and meet them through flexible, responsive provision
- To promote an inclusive approach to working with those with SEND
- To enable our children with SEND to have access to a full and varied curriculum
- To foster a person-centred ethos by facilitating partnerships with parents/carers and external agencies, for the benefit of the child
- To reflect the Code of Practice in stating that, 'teachers are responsible and accountable for the progress and development of pupils in their class, including where pupils access support from teaching assistants and specialist staff (p86, para 6.33).' Every teacher is a teacher of every child or young person, including those with SEND
- To ensure that effective assessment systems and interventions are implemented as early as possible in conjunction with other agencies
- To define the roles and responsibilities for the implementation of clear procedures based on the Code of Practice, to ensure a consistent approach to meeting the needs of all pupils with SEND throughout the school

### **3. Legislation and Guidance:**

**This policy has been written with due regard to The Special Educational Needs and Disability (SEND) Code of Practice: 0-25 years (Sep 2014) , the Equalities Act (2010) and the following legislation:**

- Part 3 of the Children and Families Act 2014, which sets out schools' responsibilities for pupils with special educational needs and disabilities

#### **Definitions:**

**The Special Educational Needs and Disability (SEND) Code of Practice: 0-25 years (Sep 2014) states that:**

*A pupil has SEN if they have a learning difficulty or disability which calls for **special educational provision** to be made for them. Special educational provision is educational or training provision that is **additional to, or different from**, that made generally for other children or young people of the same age by mainstream schools.*

**Children are considered to have a learning disability if they have:**

- **A significantly greater difficulty in learning than the majority of others of the same age**
- Or
- **A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools**

A disability is defined by the Equality Act 2010 as '...a physical or mental impairment which has a long term (a year or more) and substantial (more than minor or trivial) adverse effect on their ability to carry out normal day-to-day activities.'
