

INTERVIEW WITH SABRE TOOTHED CAT

My next guest is big bold and very bity. He's got ~~sharp~~ teeth? small ears and he's petting. South America to answer my questions. He nah all of the way from North on I bring you the petting North on
SABRETOOTHED CAT.

Q. How do you night a sign? Do you night it with any grass?

A. Oh yes I look good on it. No why would I. I don't even know how to night a sign.

Q. You've called a Sabre Toothed cat is it because you're teeth are so sharp?

A. Yes that's right I have got them so I can kill good.

Q. What's your hardest bit of food to catch? Why? Mammals and Giant

A. Short faced Kangaroo a Giant Short faced Kangaroo is fast.

Q. Who are your friends and who are your enemies?

A. Most of my enemies are the food I catch and I don't make many friends.

Q. Do you hunt with other Sabre Toothed cats?

A. Not really sometimes we fight with who cat's the meat?

Q. Hmm interesting. Finally can you tell everyone your favourite Sabre Toothed cat facts please?

A. I like being a Sabre Toothed cat because men big and scary so we get peace, but if someone disturbs me I will bite them hard on the leg.
